## **SOWING SEEDS OF LOVE AND REMEMBRANCE**

At certain milestones in our lives, the birth of a child, an anniversary, marriage, remembrance of a loved one, graduation, or other important moments we look for a way to remember and honor our loved ones. The Salvation Army Kroc Center Tribute Program is a special way to convey your feelings and mark important personal, professional and family milestones.

The Kroc Center Tribute Program offers two simple options for honoring your loved one. The first option is the Garden Bench, for \$500 a beautiful bench will be located on the lovely Kroc Center grounds. The honoree's name and a brief message will be inscribed on an attractive plaque for a forever tribute.

The second option is the Thriving Tree, for \$250.00 one of the graceful trees on the Kroc Center property will be dedicated to the individual you choose to honor. A special marker with the honoree's name and a brief message will be on display to honor your loved one.

Your gift will not only provide a lasting honor but will help create opportunities for the children and families who are served by The Salvation Army Ray and Joan Kroc Corps Community Center.
